Green Party Manifesto 2026:

A Green government. For all of us.

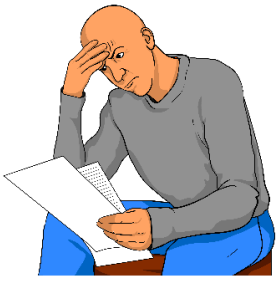

Published: August 2026

Authorised by Miriam Ross – greens.org.nz

Before you start

This is a long document.

It can be hard for some people to read a document this long.

Some things you can do to make it easier are:

- read it a few pages at a time
- set aside some quiet time to look at it

- have someone read it with you to support you to understand it.

What you will find in here

About this Easy Read

This Easy Read is by the **Green Party of Aotearoa New Zealand manifesto**.

The **Green Party of Aotearoa New Zealand** is a **political party**.

A **political party** is a group of people with the same ideas that want to be part of the Government.

In this document the Green Party of Aotearoa New Zealand will be called **the Greens**.

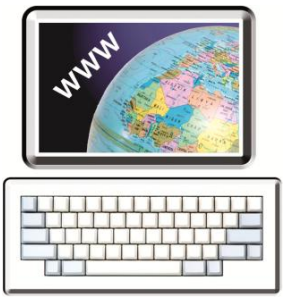

Where it says **we / us** in this document this means the Greens.

A **manifesto** tells everyone what a political party:

- believes in
- wants to happen.

You can read our full manifesto at this **website**:

www.greens.org.nz/manifesto_2026

This website is **not** in Easy Read.

This Easy Read document has information about:

- why you should vote for us
- how to vote for us.

Why vote for the Greens?

The Greens want:

- the Government to support people

- nature to do well.

We want everyone to have the things they need like:

- food

- electricity / power

- housing

- transport

- doctors.

We want to take care of the environment which means the things around us like:

- water
- forests
- air

- soil
- climate / weather.

We want a fair Government.

We want a Government that works for everyone.

We do not want a Government that just works for the people with the most money.

We want the Government to always respect the **rights** of Māori.

Rights are things that the law says every person should:

- have
- be able to do.

These rights were agreed on in **Te Tiriti o Waitangi**.

Te Tiriti o Waitangi is an important agreement between:

- Māori

  and

- the Crown / Government.

Te Tiriti o Waitangi:

- kept Māori independent which means they make their own decisions

- made a government for everyone else.

Te Tiriti o Waitangi also says the rights of Māori are:

- all the rights everyone else has

  and

- control over their:
  - lands
  - customs / ways of doing things
  - everything else that is important to them.

We want the people with the most money to pay more **tax**.

Tax is money that goes to the government.

Tax is used by the government to pay for things like:

- schools
- roads

- disability support services.

The people we want to pay more tax are:

- big businesses
- people who are very rich.

With the extra money from taxes we will look after:

- people

- nature / the environment.

What will the Greens do for disabled people?

Disabled people are important to the Greens.

We want disabled people to live with **dignity**.

Dignity means:

- being treated with respect
- having all the things you need to live a good life.

Disabled people should be able to make the same choices as everyone else.

We want disabled whānau / families to have good lives.

Disabled people should have the same rights as everyone else.

Disabled people should be able to access things like:

- transport to get the places they want to go
- housing in the community they want to live in.

There are lots of **barriers** for disabled people.

A **barrier** is something that makes it harder for you to do something.

Things are very hard for:

- tāngata whaikaha Māori / Māori disabled people
- disabled people who are treated unfairly for other reasons.

The Government we have now has made things worse.

The Greens will make sure that all disabled people get the support they need to be part of their communities.

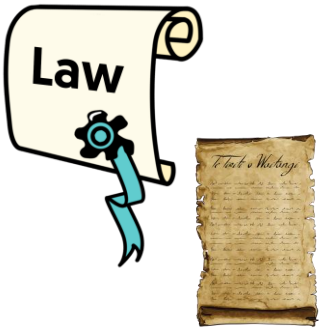

We want disabled people to have great lives.

We want to make things better for people who face the most barriers.

Important policies for disabled people

1. Disability rights law

We will make a strong disability rights law which respects Te Tiriti o Waitangi.

This law will make sure disabled people can get easy access to:

- places
- services.

2. Support decisions

We will support disabled people to make their own decisions about their lives.

3. Enough money

We will make sure disabled people have enough money for:

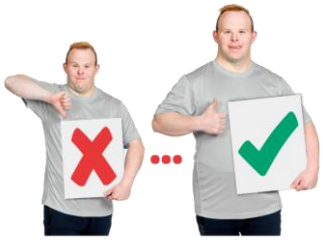

- the extra things they need to live
- medical / healthcare costs.

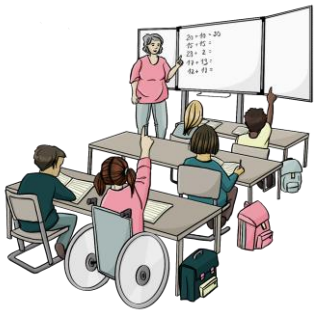

This money will be given to disabled people no matter:

- how they became disabled
- who they live with.

4. Make services better

We will improve how important services work with disabled people like:

- healthcare
- education
- disability services.

We will use **Enabling Good Lives**.

Enabling Good Lives is a different way of thinking about disability support.

Enabling Good Lives is about having:

- choice
- control
- support
- a good life.

5. Support children with disabilities

We will make sure all children with disabilities get the support they need early in their lives.

This includes:

- getting a **diagnosis**
- support with learning at school.

Here **diagnosis** means naming the medical / learning condition someone has after doing tests.

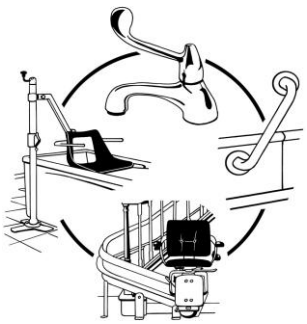

6. Choice of where to live

We will give disabled people real choices about where they can live.

We will make rules that make more **accessible** housing.

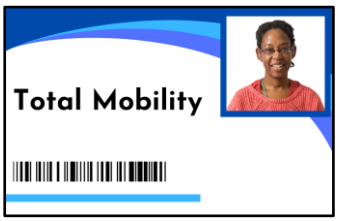

Accessible means something works well for everyone including disabled people.

7. Easier to get around

We will make it easy for disabled people to get around like using public transport.

We will make Total Mobility taxis cheaper again.

8. Good access to education after high school

We will make sure disabled people can access a good education after high school.

This includes going to:

- university
- wānanga / Māori places of learning.

9. Jobs in the Government.

We will support disabled people to get jobs in the Government.

We will train Government staff how to treat disabled people in fair ways.

10. Support for disabled people from other countries

We will make it easier for disabled people from other countries to live here.

We will get rid of rules that say it costs too much to have them here.

11. Ban hate speech

We will make it illegal to use **hate speech** that attacks someone for things like their:

- disability
- religion
- **gender**.

Hate speech is saying horrible things about someone.

Hate speech can also be:

- pictures
- writing
- on the internet.

Hate speech can make:

- the person feel unsafe
- other people think wrong things about the person.

Gender is if you are:

- a man
- a woman
- another gender like nonbinary.

12. Safety plans

We will work with disabled people on safety plans.

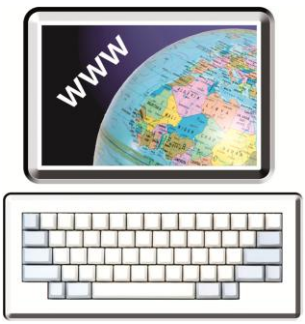

This includes plans for:

- emergencies like:
    - storms
    - earthquakes

- family and sexual violence.

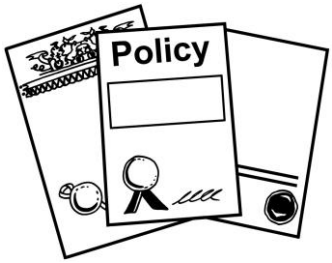

You can read our full disability policy at this website:

www.greens.org.nz/disability_policy

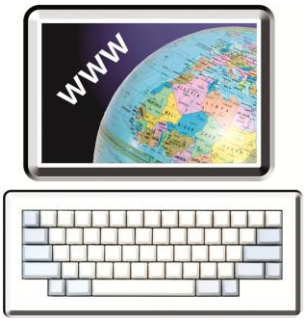

There is a version of this full policy in plain language.

We have other policies for:

- people
- nature / the environment.

You can find our other policies at this **website**:

www.greens.org.nz/policy

This website is **not** in Easy Read.

About the 2026 general election

A **general election** is happening this year.

Here a **general election** is when you can **vote** for who you want to be in Parliament.

Making a **vote** is when you choose who you think should win an election.

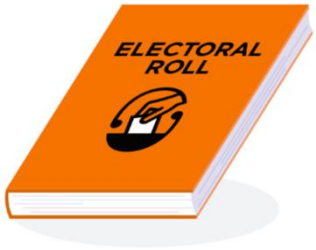

Enrol to vote

You need to **enrol** before you can vote.

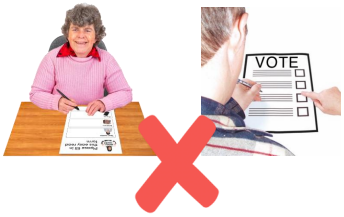

Here **enrol** means you fill in a form to add your name to the **electoral roll**.

The **electoral roll** is a list of all the people in New Zealand who are enrolled to vote.

Enrolments close on 25 October 2026.

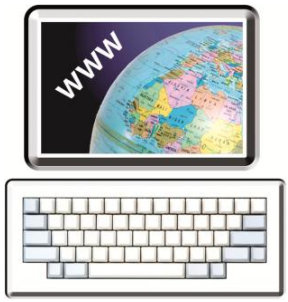

You cannot enrol when voting starts.

You can find out more about how to enrol:

- by **phone:**

  0800 36 76 56

- at this **website**:

  https://vote.nz/accessible-2026

Voting

Voting in the general election happens:

- from 26 October 2026
- to 7 November 2026.

You can go to any voting place in Aotearoa New Zealand.

There will be orange signs outside a voting place to show you where to go.

At the voting place you will be given a **voting paper**.

Here a **voting paper** is where you choose who you want to vote for.

The 2 votes you get on the voting paper are the:

- **party vote**
- **electorate vote** for a person.

Here a **party vote** is choosing the political party you want to be in Government.

An **electorate** is an area of the country set up for voting.

Each electorate has about the same number of people in it.

Here an **electorate vote** is choosing the candidate / person for your area who you want to be in parliament.

You can only vote for 1 party.

Green

You can use your party vote to support the Greens to be in Government.

How to vote for us

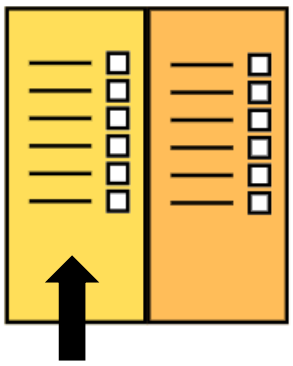

1. Get your voting paper

Staff at the voting place can give you your voting paper.

2. Party vote

Green 

Tick the circle next to the Green Party.

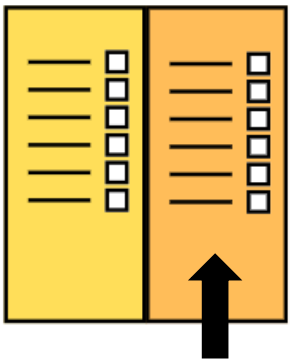

This is on the left side of the paper.

3. Electorate vote

Tick the circle next to the name of the person you want to vote for in your electorate.

This is on the right side of the paper.

4. Put your voting paper in the box

Staff at the voting place can show you the correct box to put your voting paper in.

If you find voting hard

There are other ways to vote if you find voting hard.

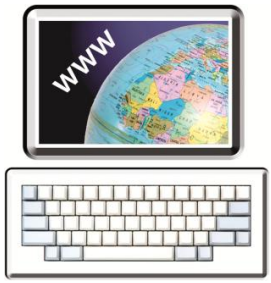

You can ask to vote in a different way by calling this **phone number**:

0800 36 76 56

You can also find more information about the 2026 general election in the Easy Read called **Get ready to enrol and vote in the 2026 General Election**.

You can find this Easy Read at:

https://vote.nz/accessible-2026

Contact information

You can **phone** the Greens on:

04 801 5102

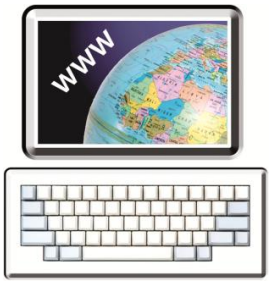

This number may cost you money to call.

You can **email** the Greens at:

green.party@greens.org.nz

You can visit our **website**:
